

## ***A GOOD PLACE TO PRAY***

*Most of us pray  
At a church altar  
Or by a pew  
Not really considering  
If any place else will do.  
Some people pray  
At home by their bedside  
Or possibly in a closet  
Or some other place to hide.  
Other people pray  
In a hospital or a jail  
In a quiet tone  
Or possibly a yell.  
Some people pray  
While walking in a field  
Or on a wooded trail  
Is where to God they yield.*

*But whether you pray  
At a church altar or pew  
Or maybe by your bedside,  
Closet, or hospital room,  
Any of these places  
Will do any day  
For each of them are  
A good place to pray;  
For it doesn't matter if you  
Are in a field,  
Or in a jail,  
On an open street  
Or a wooded trail.  
Any of these places  
Will do any day,  
For each one of them are  
A good place to pray.*
